

EDGE-O-DELLS

BAR & RESORT

FULL RESTAURANT MENU

The Journey of the Edge-0-Dells started in the 1950's as a Root Beer Stand and Go-Kart track. It remained so until the 1970's, with it was converted to a bar, containing only 15 barstools. The bar was locally known for having the best burgers i the county. Later in the 1980's the bar was known as Noras. Then in 2001, Tim and Sunny Roberts purchased the bar and Go-Kart track. They immediately began the first of many phases of construction and renovations. Their sons, Kenny and Lantz operated the Go-Kart track. Over the years, the bar grew from 25'x 25' to the 5000 sq. ft. it is today. The

Go-Kart track along with the adjacent property was used to accommodate the construction of the 21 and older camping & RV resort after Kenny and Lantz left for college. Ken has since returned to the family business to work with Tim and Sunny and provide an enjoyable experience for all. Currently the grounds consist of 65 campsites, 4 acres of group sites, 21 new rental cabins, a 2000 sq. ft. pool, tiki bar, hot tub, 2 volleyball courts and horseshoes and the Roberts Family continues to expand the property to enhance the experience for their guests.
