## BAR & RESORT

### FULL RESTAURANT MENU

The Journey of the Edge-O-Dells started in the 1950s as a root beer stand and go-kart track. It remained so until the 1970s, when it was converted to a bar, containing only 15 barstools. The bar was locally known for having the best burgers in the county. Later in the 1980s the bar was known as Noras. Then in 2001, Tim Roberts purchased the bar and go-kart track. He immediately began the first phases of construction and renovations. His sons, Kenny and Lantz, operated the go-kart track. Over the years, the bar grew from 25' x 25' to the 5000 sq. ft it is today. The go-kart track along with the adjacent property was used to accommodate the construction of the 21 and older camping & RV resort after Ken and Lantz left for college. Ken and Lantz have since returned to the family business to work with Tim and provide an enjoyable experience for all. Currently the grounds consist of 78 campsites, 4 acres of primitive group tenting, 21 new rental cabins, a 2000 sq.ft pool, tiki bar, hot tub, 2 volleyball courts and horseshoes and the Roberts family continues to expand the property to enhance the experience for their guests.
